### Meet the Villagers: Katie Tyler President, Mount Pleasant Village

With this issue, we are introducing a new feature for the Mount Pleasant Village Newsletter, to help us get to know each other. Each month, we'll include a short profile of one of our members, starting with Katie Tyler, Mount Pleasant Village's co-founder and

President. Raised in England, Katie is a 30-year Mt. Pleasant resident. A former member of the Mt.

Pleasant Historic Society Board, she has been involved in serving the community much of her life. As a sociology student in the late 1960s, she was president of the college social services organization, serving poor families in a high-unemployment part of the UK. After graduate work at the London School of Economics, she volunteered full-time, providing hands-on services to help families cope with daily life. Katie came to Washington in 1982 to work in Human Resources at the World Bank, and stayed there 27 years. Her husband, Tim Tyler, is retired from a career in the Navy and Office of the Secretary of Defense. Their daughter Melissa lives in London and is about to start an MA in Decorative Arts and their son Sam is working on a PhD in political science at Davis, California. Katie retired in 2009 to help care for her parents and in-laws. Last year, she turned her prodigious energy to creating a Village to help Mount Pleasant residents remain independent at home as we age. Under her leadership, the Village has become a new force in the community. Less than a year old, it now has 100 members, a board of 12 dedicated neighbors, and a huge potential to enrich many lives. As this goes to press, she is in Montana for a well-earned break from Village-building.

**Hang out with the Cool Kids:** in lieu of a clubhouse, the Village plans to sponsor hangout times in local establishments on different days of the week. Beginning July 29 (right) we'll be on hand for coffee at Dos Gringos from 9:30 to 11 a.m. every Wednesday. Please join us!

**Mayor Invited to Ribbon-Cutting in Lamont Park September 20:** Mayor Muriel Bowser and Councilmember Brienne Nadeau are invited to kick off the Village's ribbon-cutting ceremony and festivities in Lamont Park on Sunday September 20, from 1-3 pm. **Volunteers and ideas are needed to make our launch a success.** Contact: [dmeskell@gmail.com](mailto:dmeskell@gmail.com).

**Village Members Get Complimentary Baseball Tickets:** Ward 1 Councilmember Brienne Nadeau provided the Village with 10 complimentary tickets for members only to the July 7<sup>th</sup> Washington Nationals-Cincinnati Reds baseball game. Although the home team lost, 0-5, a great time was had by all.

***It Takes a Village ... and we have one!*** The Village Board met July 11 to clarify our vision for building the Village as a vibrant advocate for aging well in Mount Pleasant. Facilitator Ellen Harvey generously facilitated the day-long session. **Highest aspirations for the Village:** to become a pillar of the community, enriching members' lives and building a circle of friends who care and can be relied on; to provide reciprocal caring, and opportunities to be useful; to be a reliable source of information and help members stay integrated in the overall community; and to reflect our values in everything we do. **Our values:** the Village is inclusive and welcoming, and responsive to our members. We provide fun and friendship, mutual support and community. **Our goals:** to make it possible for members to stay in our homes as we age, with greater mental, physical and emotional health, a clear understanding of available options, and a supportive inter-generational community. **Our slogan: *It takes a Village...and we have one!***

*Facilitator Ellen Harvey (l); and Board members Rebecca Shannon, Brenda Krieger, Susan Rees (c); Elinor Hart and Rob Fleming (r) helped build a shared vision for Mount Pleasant Village.*
